Welcome to what we call Wicca 101

Please answer these questions at your leisure and return them at the next class. Please keep the answers short.

1. What is your childhood religion?

2. What is your definition of a Witch?

3. Why are you attracted to Wicca and Witchcraft?

4. What books have you read and please rate them (1-5 low to high) for content, information, and usefulness to you.

5. Are you married or do you have children, and how do you think they will react to your study of Wicca?

6. Do you have any question that we can help you with at this time?
